WHAT'S BULLYING?

We often hear about bullying which is undoubtedly one of the most alarming and studied phenomenon of our society, but how bullying manifests itself? How to prevent bullying and how to fight it?

Bullying means all those actions of prevarication and abuse carried out by a child/adolescent defined as a «bully» against another child/adolescent perceived as a victim.

PHYSICAL BULLYING: NOT JUST THE BODY

WHAT IS?

Physical bullying, especially in children, is very bad not only for the body but above all for the soul. The derision that appears on the face of those who passively witness the actions of the bully hurts you deeply and annihilates you. It includes hitting, pushing, kicking and other types of physical harm, as well as destruction of personal possession

Be yourself,

-VERBAL BULLYING:WORDS STRIKE

Never change

For the others.

Words are powerful. When it comes to bullying, sometimes verbal bullying can result in deeper wounds long-term than physical bullying. The goal of verbal bullying is to degrade and demean the victim in order to make the aggressor appear powerful and dominant. Includes teasing, name calling, racial slurs, gossip

CYBERBULLYING: BULLYING ON THE INTERNET

Cyberbullying means bullying using up-to date technology. Cyberbullies use the internet and mobile phones to attack their victims ,sending offensive emails threatening, text messages

Bullies appear to be strong but they're often unhappy themselves in some way. Is easy for the bully,because he's anonymous,he or she can attack at any time of the day or night.
